

### **CBD-LDN Education Event at Mark Drugs - Roselle**

Mark Drugs is sponsoring a FREE Day of **CBD-LDN** Education at the Roselle Store on Saturday, November 17th, from Noon to 2pm.

Experts from the CBD field, Dr Fred Melius, MD, inventor of the first water based Nasal CBD Spray (Nasadol CBD Nasal Spray) and Chris Pajak from Green Gorilla CBD (CBD products for humans and pets) will join Dr Mark Mandel PharmD for a day of education.

FREE light snacks, a Storewide Sale on OTC products and a **FREE RAFFLE**.

Dr Mark will discuss the benefits of LDN (Low Dose Naltrexone) and its' effects on the immune system and immuno-modulated diseases ranging from Multiple Sclerosis (MS) to Cancer.

Admission is FREE but RSVP is required due to limited space. If the Noon presentation fills to capacity, then a 2:30-4:30 pm presentation will be added.

RSVP by email: [info@markdrugs.com](mailto:info@markdrugs.com) or call the pharmacy at 630-529-3400, press "2".
