*Better Health and Care... Not Just Healthcare!*

**Note: If you want a beverage that is a bit more tart but don't wish to use up your Lemon Juice Quotient for the day, simply add a little citric acid (aka sour salt) to your beverage. I'm still working on a cola and Dr pepper-like flavor so keep asking for more. >:-)**

## Beverages

### Old Time Lemonade

(My Personal Favorite)  
In a 22 ounce Glass:  
Juice of ¼ Fresh Lemon  
12 drops of Plain Stevia  
3 ounces of ice  
Fill with Cold Water or Non-flavored, unsweetened Sparkling water

### Chocolate Phosphate

(This one takes me back to my childhood!)  
In a 22 ounce Glass:  
15 drops of Chocolate Flavored Stevia  
3 ounces of ice  
Fill with Cold Non-flavored, unsweetened Sparkling water

### Mock 7-Up

In a 22 ounce Glass:  
10 drops of Valencia Orange Flavored stevia  
5 Drops Lemon Drop Stevia  
3 ounces of ice  
Fill with Cold Non-flavored, unsweetened Sparkling water

### Mock Squirt

In a 22 ounce Glass:  
10 drops of Lemon Drop flavored stevia  
5 drops of Apricot Nectar Stevia  
3 ounces of ice  
Fill with Cold Water or Non-flavored, unsweetened Sparkling water

### Old Fashioned Root Beer

In a 22 ounce Glass:  
15 drops of Root Beer Flavored stevia  
3 ounces of ice  
Fill with Cold Water or Non-flavored, unsweetened Sparkling water
